Shah & Co., Chartered Accountants (Firm Registration No. 109583W) were appointed as the Statutory Auditor of the Company to hold office for a term of five years from the conclusion of the Thirty Second Annual General Meeting held on 30th September 2022, until the conclusion of the Thirty Seventh Annual General Meeting of the Company.

STATUTORY AUDITORS' REPORT

The Statutory Auditors of the Company, M/s. H. K. Shah & Co., Chartered Accountants issued an Audit Report with modified opinion on the Audited Financial Results of the Company for the financial year ended March 31, 2026 containing the below mentioned qualification:

1. The company is in the process of implementation of an NBFC industry-specific ERP software which is yet to be implemented for strengthening the internal controls.

Management's Reply:

Company is in the final stage to customize design & implementation of the Graviton software. The desired results, such as the automation of all financial and non-financial tasks, have taken a few months to achieve.

FRAUD REPORTING

During the year, the Statutory Auditors have not reported any instances of material fraud committed against the Company by its officers or employees under Section 143(12) of the Companies Act, 2013, which would require disclosure in this report.

Fraud monitoring and reporting: The Reserve Bank of India vide Master Directions on Fraud Risk Management in Non-Banking Financial Companies ('NBFCs') (including Housing Finance Companies) dated 15 July 2024 came up with directions on Fraud risk management. Pursuant to the RBI Master Direction, the Company has adopted comprehensive Fraud Risk Management Policy covering aspects viz, measure towards fraud prevention, fraud detection, investigation, staff accountability, monitoring of frauds, recovery of frauds, reporting of frauds and roles & responsibilities of Board/Board Committees and Senior Management.

SECRETARIAL AUDIT

Pursuant to the provisions of Section 204 of the Companies Act, 2013, and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed M/s. Himanshu Gajra & Co., Practicing Company Secretaries, to conduct the Secretarial Audit for a period of 5 (five) consecutive years in 35th Annual General Meeting held on September 17, 2025.

The Secretarial Audit Report in Form MR-3 for the financial year ended March 31, 2026 is enclosed as **Annexure I** to this report. There are no qualifications, reservations or adverse remarks made by the Secretarial Auditor in the report.

Observation:

1. The Company had sought approval of the Members by way of Special Resolution for continuation of Mr. Mahesh Narshibhai Pujara as Managing Director upon attaining the age of 70 years pursuant to the provisions of Section 196(3)(a) of the Companies Act, 2013. However, the process for obtaining shareholders' approval was initiated after Mr. Mahesh Narshibhai Pujara had already attained the age of 70 years. Further, the Special Resolution proposed for such continuation did not receive the requisite majority and therefore could not be approved by the Members. The Company re-designated Mr. Mahesh Narshibhai Pujara from Managing Director to Director. The said change was carried out to align the position with the applicable provisions of Section 196(3)(a) of the Companies Act, 2013, though there was an interim period prior to such re-designation during which the requisite approval remained pending.

Management Response:

The Company has subsequently re-designated Mr. Mahesh Narshibhai Pujara from Managing Director to Director to align his position with the applicable provisions of Section 196(3)(a) of the Companies Act, 2013. The Company has also strengthened its internal processes to ensure timely compliance with the applicable provisions going forward

2. It was observed that the Reserve Bank of India (RBI), vide its speaking order, imposed a monetary penalty of Rs. 32,000 on the Company under Section 52A of the National Housing Bank Act, 1987 for non-compliance with the RBI Master Direction on Know Your Customer (KYC) Directions, 2016. The non-compliances, inter alia, included failure to conduct periodic review of risk categorisation of customers and periodic updation of KYC within the prescribed timelines.

Management Response:

The Company has taken necessary corrective measures to strengthen its KYC processes, including periodic review of customer risk categorisation and timely updation of KYC records, to ensure compliance with the applicable regulatory requirements.

3. It was observed that the Company had defaulted in repayment of 200 Rated, Listed, Secured, Redeemable, Taxable Non-Convertible Debentures (NCDs) each having the face value of Rs. 10,00,000/-, aggregating up to Rs. 20 Crores which was issued by the Company and was due for redemption on 30th June, 2023. During the FY 2025-26 The current outstanding liability stands at Rs. 24.03 crore (16.95 Crore – principal).

Management Response:

The Company is taking appropriate steps towards resolution of the outstanding liability and is in discussions with the concerned stakeholders for addressing the repayment obligations.

4. During the course of our review, based on the asset composition of the Company as at March 31, 2026, it was noted that financial assets deployed towards housing finance constituted 42.37% of the Company's total assets (net of intangible assets), while housing finance extended to individuals constituted 41.68% of such total assets.

In terms of Paragraph 10(9) of the Reserve Bank of India (Housing Finance Companies) Directions, 2025, a Housing Finance Company (HFC) is required to maintain at least 60% of its total assets (net of intangible assets) deployed towards housing finance, of which at least 50% should comprise housing finance to individuals.

Accordingly, with housing finance constituting 42.37% and housing finance to individuals constituting 41.68% of the relevant asset base as at March 31, 2026, the Company does not meet the prescribed Principal Business Criteria for classification as a Housing Finance Company under the aforesaid Directions.

Management Reply;

The Company is taking appropriate measures to strengthen and increase its housing finance portfolio, with a particular focus on individual housing loans, and is closely monitoring the asset composition to ensure compliance with the applicable regulatory requirements

5. As represented by the Company, the Company was required to transfer the applicable funds to the IEPF Account. However, due to certain technical difficulties, the Company was unable to transfer the said funds to the IEPF Account within the prescribed time.

Management Reply:

The Company has initiated necessary corrective measures to ensure timely transfer of applicable funds to the IEPF Account and to strengthen the related processes to ensure compliance with the prescribed timelines going forward.

SECRETARIAL STANDARDS

The Company has complied with the applicable Secretarial Standards issued by the Institute of Company Secretaries of India.

INSPECTION BY NATIONAL HOUSING BANK (NHB)

In accordance with the provisions of Section 34 of the National Housing Bank Act, 1987, the National Housing Bank (NHB), as the regulatory authority for Housing Finance Companies (HFCs), undertakes periodic inspections to ensure compliance with applicable laws, regulations, and prudential norms.

During the year under review, NHB conducted a comprehensive inspection of select branches of India Home Loan Limited (IHLL). The inspection covered a wide range of operational and financial areas including IHLL's lending, resource raising and accounting activities apart from the compliances with the Prudential Guidelines.

Following the inspection, the Company received the inspection report from NHB outlining observations and recommendations to enhance regulatory compliance and operational efficiency. The Company has carefully reviewed the findings and has submitted an **Action Taken Report (ATR)** to NHB within the prescribed timelines, detailing the corrective measures implemented or initiated in response to the observations.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR OTHERS

There are no significant and material orders passed during the year by regulators or courts or tribunals impacting the going concern status and Company's operations in future

PARTICULARS OF EMPLOYEES AND RELATED INFORMATION

In accordance with the provisions of Section 197(12) of the Act read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, a statement containing the disclosures pertaining to remuneration and other details as required under the Act and the above Rules, are appended to this Report as **Annexure II**.

During the year under review, none of the employees were in receipt of remuneration of INR 102 lakhs or more per annum or INR 8.50 lakhs or more per month. Accordingly, the information regarding employee remuneration as required pursuant to Rule 5(2) and Rule 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is not applicable to the Company.

RISK MANAGEMENT

The Board of Directors of the Company has constituted a Risk Management Committee to formulate, implement, and monitor the Risk Management Plan of the Company. The Committee is entrusted with the responsibility of identifying key risks, assessing their potential impact, and ensuring that appropriate mitigation strategies are in place.

The Risk Management Committee regularly monitors and reviews the risk management framework and ensures its continued effectiveness in addressing emerging and existing risks. In addition, the Audit Committee provides independent oversight, particularly in relation to financial risks and internal controls.

The Company has adopted a formal Risk Management Policy, which outlines the approach to managing various types of risks including credit risk, operational risk, market risk, liquidity risk, and regulatory risk. The Policy serves as a guiding document for identifying, evaluating, and mitigating risks across all functional areas. The major risks identified are systematically addressed through mitigating actions on a continuing basis.

FAMILIARISATION AND TRAINING PROGRAMMES

The Company has formulated a policy on 'Familiarisation programme for Independent Directors'. Accordingly, upon appointment of an Independent Director, the appointee is given a formal Letter of Appointment, which inter alia, explains the role, function, duties and responsibilities expected as a Director of the Company.

Further, the Company also familiarize the Independent Directors with the Company, their roles, responsibilities in the Company, nature of industry in which the Company operates, business model of the Company, various businesses in the group etc. The Director is also explained in detail the compliance required from him under the Act and the Listing Regulations. Further, on an ongoing basis as a part of Agenda of Board/ Committee Meetings, presentations are regularly made to the Independent Directors on various matters inter-alia covering the business strategies, management structure, management development, quarterly and annual results, budgets, review of Internal Audit, risk management framework, operations of subsidiaries and associates.

The Company has established a vigil mechanism to provide a framework to promote responsible and secure whistle blowing and to provide a channel to the employee(s) and Director(s) to report to the management, concerns about unethical behaviour, actual or suspected fraud or violation of the code of conduct or policies of the Company, as adopted/framed from time to time. The mechanism provides for adequate safeguards against victimisation of employees and Directors to avail of the mechanism and also provide for direct access to the Chairperson of the Audit Committee in exceptional cases.

SUCCESSION PLAN

Your Company is conscious of succession planning and therefore gives focus on orderly succession of Directors, Key Managerial Personnel and Senior Management. Your Company follows a continuous process of evaluation and coaching to facilitate succession within the hierarchy. The Policy on Succession Planning for the Board and Senior Management as approved by the Board is uploaded on the Company's website and can be accessed at the <https://indiahomeloan.co.in/Home/CodesPolicy>.

POLICIES OF THE COMPANY

The Company has in place various Board approved policies pursuant to Companies Act, 2013, SEBI Regulations, RBI/NHB Directions and other regulations. These policies are reviewed from time to time keeping in view the operational requirements and the extant regulations.

The details of the policies along with the weblink is given under <https://indiahomeloan.co.in/Home/CodesPolicy>.

INTERNAL FINANCIAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has put in place adequate policies and procedures to ensure that the system of internal financial control commensurate with the size and nature of the Company's business.

These systems provide a reasonable assurance in respect of providing financial and operational information, complying with applicable statutes, safeguarding of assets of the Company, prevention and detection of frauds, accuracy and completeness of accounting records and ensuring compliance with Company's policies.

Based on the framework of internal financial controls and compliance systems established and maintained by the Company, the work is performed by the internal, statutory and secretarial auditors and external consultants, including the audit of internal financial controls over financial reporting by the statutory auditors and the reviews are performed by management and the relevant board committees, including the Audit Committee. The Board is of the opinion that the Company's internal financial controls were adequate and effective during the period under review.

Note on Auditor's Qualification & Management's Reply

While the statutory auditor did issue a qualified opinion regarding the ongoing implementation of the NBFC-specific ERP system (Graviton) and its impact on internal controls, Management wishes to reassure stakeholders that this ERP implementation is now in its final stages. The existing internal financial control framework remains robust and effective, and the completion of the ERP rollout is expected to further enhance these controls.

INTERNAL AUDIT

The Internal Audit function operating independently under the oversight of the Audit Committee of the Board, gives objective assurance to the Board on Company's internal control processes, risk management and governance systems and processes.

The internal audit of the Company for the financial year 2025–26 was undertaken by Mr. Amitabh Sinha, an independent external auditor. The scope of the internal audit is appropriately defined, taking into consideration the size, scale, and complexity of the Company's operations.

The internal auditors submit detailed reports on a quarterly basis, which are reviewed and deliberated upon in the meetings of the Audit Committee and the Board of Directors. The Audit Committee closely monitors the implementation and execution of the audit plan, assesses the adequacy and effectiveness of the internal control systems, and oversees the timely implementation of audit recommendations to strengthen the governance framework of the Company.

- they have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March 2026 and of the profit of the Company for that period;
- they have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- they have prepared the annual accounts on a going concern basis;
- they have laid down internal financial controls to be followed by the Company and such internal financial controls are adequate and operating effectively;
- they have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

CAUTIONARY STATEMENT

Certain statements in the Directors' Report describing the Company's objectives, projections, estimates, expectations or predictions may be forward-looking statements within the meaning of applicable securities laws and regulations. Actual results could differ from those expressed or implied.

APPRECIATION AND ACKNOWLEDGEMENT

The Directors wish to express their sincere gratitude to all stakeholders, including the shareholders, the Ministry of Corporate Affairs, the Securities and Exchange Board of India, the Government of India, the National Housing Bank, and other regulatory authorities for their continued guidance and support. The Board also extends its appreciation to BSE Limited, the Company's bankers, members, customers, business associates, and all employees for their unwavering trust and cooperation.

The Directors place on record their deep appreciation for the dedication, commitment, and hard work demonstrated by the employees at all levels, which has significantly contributed to the Company's sustained and robust performance across all operational areas.

ANNEXURE I

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2026

*[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]*

To,
The Members,
India Home Loan Ltd

Address: 504/504A, 5th Floor, Nirmal Ecstasy,
Jatashankar Dosa Road, Mulund (W), Mumbai-400080, India.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **India Home Loan Ltd** (hereinafter called the “**Company**”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2026 (“**Audit Period/period under review**”) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2026 according to the provisions of:

- (i) The Companies Act, 2013 (**the Act**) and the rules made there under.
- (ii) The Securities Contracts (Regulation) Act, 1956 (**‘SCRA’**) and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) The Non-Banking Financial Company – Housing Finance Company (Reserve Bank) Directions, 2021 and the Guidelines and Circulars issued thereunder from time to time.
- (v) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (**Not Applicable during the Audit Period**)
- (vi) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (**‘SEBI Act’**):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 (**Not Applicable during the Audit Period**);
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 and Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (**Not Applicable during the Audit Period**)
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 (**Not Applicable during the Audit Period**).

- (e) The Securities and Exchange Board of India (Issue and Listing of Non- Convertible Securities) Regulations, 2021 **(Not Applicable during the Audit Period)**
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client **(Not Applicable during the Audit Period)**
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 **(Not Applicable during the Audit Period)**
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 **(Not Applicable during the Audit Period);**
- (vii) Reserve Bank of India (Non-Banking Financial Companies – Registration, Exemptions and Framework for Scale Based Regulation) Directions, 2025
- (viii) Reserve Bank of India (Non-Banking Financial Companies – Know Your Customer) Directions, 2025
- (ix) Other Acts that are specifically applicable to the Company.

Master Directions, Rules, Regulations and Guidelines issued on 28th November, 2025 by the Reserve Bank of India as are applicable to NBFC Company which are specifically applicable to the Company

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015 and the Listing agreements entered into by the Company with Stock Exchanges.
- iii. During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. made thereunder subject to the following observations:
 - The Company had sought approval of the Members by way of Special Resolution for continuation of Mr. Mahesh Narshibhai Pujara as Managing Director upon attaining the age of 70 years pursuant to the provisions of Section 196(3)(a) of the Companies Act, 2013. However, the process for obtaining shareholders' approval was initiated after Mr. Mahesh Narshibhai Pujara had already attained the age of 70 years. Further, the Special Resolution proposed for such continuation did not receive the requisite majority and therefore could not be approved by the Members. The Company re-designated Mr. Mahesh Narshibhai Pujara from Managing Director to Director. The said change was carried out to align the position with the applicable provisions of Section 196(3)(a) of the Companies Act, 2013, though there was an interim period prior to such re-designation during which the requisite approval remained pending.
 - It was observed that the Reserve Bank of India (RBI), vide its speaking order, imposed a monetary penalty of Rs. 32,000 on the Company under Section 52A of the National Housing Bank Act, 1987 for non-compliance with the RBI Master Direction on Know Your Customer (KYC) Directions, 2016. The non-compliances, inter alia, included failure to conduct periodic review of risk categorisation of customers and periodic updation of KYC within the prescribed timelines.
 - It was observed that the Company had defaulted in repayment of 200 Rated, Listed, Secured, Redeemable, Taxable Non-Convertible Debentures (NCDs) each having the face value of Rs. 10,00,000/-, aggregating up to Rs. 20 Crores which was issued by the Company and was due for redemption on 30th June, 2023. During the FY 2025-26 The current outstanding liability stands at Rs. 24.03 crore (16.95 Crore – principal).

- **In terms of Paragraph 10(9) of the Reserve Bank of India (Housing Finance Companies) Directions, 2025, a Housing Finance Company (HFC) is required to maintain at least 60% of its total assets (net of intangible assets) deployed towards housing finance, of which at least 50% should comprise housing finance to individuals.**

Based on the asset composition of the Company as at March 31, 2026, it was noted that financial assets deployed towards housing finance constituted 42.37% of the Company's total assets (net of intangible assets), while housing finance extended to individuals constituted 41.68% of such total assets.

Accordingly, with housing finance constituting 42.37% and housing finance to individuals constituting 41.68% of the relevant asset base as at March 31, 2026, the Company does not meet the prescribed Principal Business Criteria for classification as a Housing Finance Company under the aforesaid Directions.

- **As represented by the Company, the Company was required to transfer the applicable funds to the IEPF Account. However, due to certain technical difficulties, the Company was unable to transfer the said funds to the IEPF Account within the prescribed time.**

I further report that;

The Board of the Company is duly constituted and the changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings were sent in advance and a system exists for seeking and obtaining further information and clarifications on the items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

As per the data made available and explanation given to me, The Company has filed forms and returns with the registrar of Companies/RBI within the prescribed time and if not, filed with additional charges.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I have relied on the representation made by the Company and its Officers for the systems and mechanisms framed by the Company for compliance under other Acts, Laws and Regulations applicable to the Company which is as follows:

1. The Reserve Bank of India Act, 1934;
2. Non-Banking Financial Companies Auditor's Report (Reserve Bank) Directions, 2016;
3. Master Direction – Reserve Bank of India (Filing of Supervisory Returns) Directions – 2024 ;
4. Reserve Bank of India (Small Finance Banks – Know Your Customer) Directions, 2025;
5. Master Directions, Rules, Regulations and Guidelines issued on 28th November, 2025 by the Reserve Bank of India as are applicable to NBFC Company which are specifically applicable to the Company.
6. Master Direction - Information Technology Framework for the NBFC Sector.

I further report that during the audit period, the Company has undertaken the following event/action having a major bearing on the Company's affairs in pursuance of the above-referred laws, rules, regulations, guidelines, standards, etc:

- **Reclassification of Promoter/Promoter Group Shareholders to Public Category pursuant to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.**

During the period under review, the Company received request letters from the following persons seeking reclassification of their shareholding from the **Promoter/Promoter Group** category to the **Public Shareholder** category:

Sr. No.	Name of Shareholder	Date of Request Letter
1.	Mr. Anant Arun Bhalotia	October 18, 2025
2.	Mr. Ashok Patel	October 23, 2025
3.	Ms. Daksha Patel	October 23, 2025

Upon receipt of the aforesaid request letters, the Company duly intimated **BSE Limited (BSE)** and filed the necessary application on **November 15, 2025** in accordance with the provisions of the **SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015** (hereinafter referred to as "SEBI LODR Regulations") and the procedural requirements prescribed thereunder.

BSE Limited, vide its **approval letter dated December 02, 2025**, accorded its approval for the reclassification of the aforesaid shareholders from the **Promoter/Promoter Group** category to the **Public** category.

Accordingly, the reclassification of Mr. Anant Arun Bhalotia, Mr. Ashok Patel, and Ms. Daksha Patel from the Promoter/Promoter Group category to the Public shareholder category stands completed in terms of the applicable provisions of the SEBI LODR Regulations.

This report is to be read with our letter of even date which is annexed as Annexure I which forms an integral part of this report.

MANAGEMENT DISCUSSION AND ANALYSIS

INTRODUCTION

Global Overview

Throughout FY26, the global economy continued to grapple with significant challenges, including heightened geopolitical tensions, persistent supply chain disruptions, and ongoing inflationary pressures, which have contributed to a prolonged cost-of-living crisis. By March 2026, the global financial landscape faced additional headwinds due to banking sector turmoil in several advanced economies. This situation raised concerns about potential contagion risks, leading to increased volatility across global markets.

Financial Year 2025–26 was marked by a complex global economic environment characterized by geopolitical tensions, evolving trade policies, moderating inflation, and changing monetary policy across major economies. Ongoing geopolitical conflicts, supply chain disruptions, and fluctuations in commodity and energy prices continued to influence global economic activity and financial markets. These developments resulted in periodic volatility in capital markets and cautious investment sentiment across both developed and emerging economies. Global trade experienced a mixed performance during the year as several economies adopted policy measures to strengthen domestic industries while simultaneously pursuing bilateral and multilateral trade agreements to improve market access and diversify supply chains. These developments created both opportunities and challenges for emerging markets, including India.

According to the **International Monetary Fund (IMF) – World Economic Outlook (April 2026)**, the global economy is projected to grow by **3.1%** during calendar year 2026 compared with **3.4%** in 2025. Growth in advanced economies remained subdued due to tighter financial conditions and slower industrial activity, while emerging market and developing economies continued to demonstrate comparatively stronger economic performance. Global inflation remained above the long-term targets of several central banks despite significant moderation from previous peaks. The IMF projects global headline inflation to increase marginally from **4.1%** in 2025 to **4.4%** in 2026 before moderating to **3.7%** in 2027. Consequently, central banks continued to adopt a balanced and data-driven monetary policy approach to support economic growth while preserving price stability. India continued to distinguish itself as one of the world's fastest-growing major economies. The IMF projects India's economic growth at **6.5%** for both 2026 and 2027, reflecting the country's strong macroeconomic fundamentals, resilient domestic demand, sustained public infrastructure investment, expanding digital economy, and continued policy reforms.

India Overview

India's housing finance market exhibits rapid expansion driven by urbanization, a low mortgage-to-GDP ratio near 12%, and major government policy pushes like Pradhan Mantri Awas Yojana (PMAY-U 2.0), which targets **300 lakh (30 million) additional homes** through FY2029. Active loan accounts are heavily concentrated in the affordable housing segment—defined by regulatory caps of **₹650 lakh (₹65 million)** in metros and **₹400 lakh (₹40 million)** in non-metros—where public-sector banks held a **47.33% market share**, while specialized Housing Finance Companies (HFCs) capitalize on underserved niches. Within this landscape, micro-cap non-deposit-taking HFCs highlight localized operational realities. The wider real estate and ownership of dwellings sector acts as a powerful macroeconomic driver, contributing approximately **7% to India's annual Gross Value Added (GVA)**, while the total individual home loan market size has crossed a milestone of **₹3,700,000 lakh (₹37.00 lakh crore)**, capturing an **11% share of India's national GDP** amid a robust **7.4% to 7.7% national GDP growth rate** for the fiscal year.

Real Gross Value Added (GVA) is estimated to grow by **7.7%** during FY 2025–26, supported primarily by robust growth in manufacturing and services, while agriculture recorded relatively moderate growth. Strong domestic consumption, increasing capital expenditure, improving employment conditions, and continued infrastructure development remained key drivers of economic expansion. India's inflation remained well contained during most of the financial year, enabling the **Reserve Bank of India (RBI)** to gradually shift its monetary policy stance towards supporting economic growth. During FY 2025–26, the RBI reduced the policy repo rate from **6.25% to 5.25%** through successive policy rate reductions, improving liquidity conditions and reducing borrowing costs across the financial system. For the housing finance sector, the evolving macroeconomic environment remained favourable. Government initiatives promoting affordable housing, increasing urbanization, rising disposable incomes, improved infrastructure, and growing aspiration for home ownership continued to support long-term demand for residential housing finance. Lower interest rates further enhanced housing affordability and encouraged home loan demand across customer segments.

Housing and Real Estate Market

The housing sector continues to play a pivotal role in India's economic growth due to its strong linkages with more than 250 allied industries, including cement, steel, construction materials, electrical equipment, consumer durables, and financial services. Besides contributing significantly to Gross Domestic Product (GDP), the sector remains a major source of employment generation and infrastructure development, making it one of the key pillars of the Indian economy.

The Indian residential real estate market remained resilient during FY 2025–26, supported by favourable demographics, rapid urbanization, rising household incomes, increasing nuclear families, and growing aspirations for home ownership. Government initiatives such as **Pradhan Mantri Awas Yojana (PMAY 2.0)**, the **SWAMIH Fund**, continued focus on affordable housing, and investments in urban infrastructure further strengthened housing demand across various income segments. The implementation of the **Real Estate (Regulation and Development) Act, 2016 (RERA)** has significantly improved transparency, accountability, and consumer confidence in the real estate sector. Together with increased formalization of the housing market and wider adoption of digital technologies, these reforms have created a more sustainable and well-regulated ecosystem for homebuyers, developers, and lenders. The residential housing market continued to witness healthy demand across major cities during the year. While affordable and mid-income housing remained the largest contributors by volume, premium and luxury housing segments experienced strong momentum, reflecting improving consumer confidence and rising purchasing power. Developers maintained a balanced approach towards new project launches while focusing on timely project execution and quality delivery. The commercial real estate sector also demonstrated resilience, driven by sustained demand from Global Capability Centres (GCCs), technology companies, financial institutions, and multinational corporations. Continued office leasing activity, expanding business operations, and stable occupancy levels supported investment in commercial real estate across key metropolitan markets. The housing finance industry continued to register steady growth during FY 2025–26, supported by favourable interest rates, increasing mortgage penetration, rising housing demand, and improved access to formal credit. Housing Finance Companies (HFCs) and banks continued to play a critical role in expanding home ownership by providing financing solutions across affordable, self-employed, salaried, and semi-urban customer segments. Mortgage penetration in India continues to remain relatively low compared with many developed economies, providing significant long-term growth potential for the housing finance industry. The ratio of housing loans to GDP has steadily improved over the past decade, reflecting increasing financial inclusion, greater formalization of the lending ecosystem, and rising consumer preference for institutional housing finance. The banking and housing finance sectors continued to maintain healthy credit growth during the year. Public Sector Banks, Private Sector Banks, and Housing Finance Companies collectively expanded their housing loan portfolios, supported by improving credit quality, enhanced digital lending capabilities, and stronger risk management practices. Government policy support and a stable regulatory environment further strengthened the long-term outlook for the sector.

The Company

IHLL offers retail home loan product for affordable housing segment. Under this product, loans are offered to the customers for Purchase of home, home improvement, home extension and for construction of a dwelling unit on an owned plot of land. India Home Loan Limited formerly known as (MHFCL) Manoj Housing Finance Company Ltd which was incorporated on 19th Dec 1990 under the Companies Act, 1956 in Maharashtra. During 2008-09, Mr. Mahesh Pujara and Associates took over this company and subsequently, the name of Manoj Housing Finance Company Ltd has been changed to India Home Loan Limited. India Home Loan Limited is a BSE listed company. IHLL specializes on loans to families in the self-employed category where formal income proofs aren't easily available and their repayment capacity is appraised based on their cash flows. IHLL started full scale operations in February 2018. IHLL offers following products to its customers: (i) home loans; (ii) loan against property; (iii) developer financing. IHLL has started offering affordable housing loans on a pilot basis in FY 2022. IHLL focuses on low risk segments across its portfolio. Individual housing loans, a low risk segment, contribute to more than 70% of the portfolio. Even within the low risk individual housing loans segment, nearly 95% of AUM consists of loans given to salaried and self-employed professionals. Going forward, it intends to increase its presence in self-employed and affordable housing segment with a calibrated risk strategy to cover full spectrum of housing loan market. IHLL is committed to building an optimal mix of housing and non-housing loan portfolio to balance risk and returns. IHLL has created a prudent and differentiated developer financing model with an immaculate portfolio performance. Going forward, IHLL plans to: i) deepen relationship with existing developers; ii) expand reach to new developers with granular exposure strategy; iii) expand its developer financing offerings to new geographies; and iv) create presence with the large developers. IHLL offers highest standards of engagement and service to its retail and corporate customers.

For **India Home Loan Limited**, these favourable macroeconomic developments provided opportunities to strengthen its retail housing finance portfolio while maintaining prudent risk management practices. The Company continued to focus on serving underserved and emerging customer segments through responsible lending, disciplined credit appraisal, digital process

enhancement, and customer-centric service delivery. despite an increasingly competitive lending environment and pressure on lending spreads arising from lower interest rates, India Home Loan Limited remained committed to maintaining asset quality, strengthening its liability profile, improving operational efficiency, and ensuring sustainable long-term growth. The Company's strategy continues to be aligned with India's expanding housing finance market and the Government's vision of increasing access to affordable housing finance. looking ahead, India's robust economic fundamentals, stable financial system, supportive regulatory framework, and sustained demand for housing are expected to provide a strong foundation for the continued growth of the housing finance industry. India Home Loan Limited remains well positioned to capitalize on these opportunities while delivering sustainable value to its customers, stakeholders, and shareholders through prudent governance, responsible lending practices, and sound financial management.

However Rising **interest rates** may reduce affordability and demand for housing loans. IHLL is continuously investing in creating frictionless processes to provide seamless and consistent experience to its customer throughout the loan lifecycle. The Company ended the year with a capital-to-risk weighted asset ratio (CRAR) of 75.02% as on 31st March 26 which is well above the regulatory limits specified by the regulator

IHLL closed FY2026 with an AUM of Rs. 4867 Lakhs & AHS of Rs. 4846 Lakhs.

As on 31 March 2026, IHLL's borrowings stood at Rs. 4815 Lakhs

Using its robust risk management and portfolio monitoring framework, IHLL continued to take enhanced credit costs based on emerging trends across its different portfolios. IHLL's Gross and Net NPA as at 31st March 2026 stood at 2.69% and 1.93% respectively.

The performance highlights for FY 2025-2026 are given in below.

As a Housing Finance Company (HFC), IHLL is exposed to credit, liquidity, and interest rate risk. It continues to invest in talent, processes, and emerging technologies for building advanced risk and underwriting capabilities.

IHLL has a well-defined risk governance structure which provides for identification, assessment, and management of risks. Risk management involves making decisions and establishing governance systems that embed and support effective risk process, as well as building an organizational culture that supports agility. The Company has a Risk Management Committee (RMC)

IHLL's balanced approach to portfolio management coupled with a rigorous portfolio review mechanism has enabled it to pick up early warning signals and take corrective actions. IHLL's loan portfolio continues to remain healthy and in the growth mode.

A robust governance framework ensures that board committees approve risk strategies and delegates credit authorities, and robust underwriting practices coupled with continuous risk monitoring ensure that portfolios stay within acceptable risk levels. IHLL follows RBI / NHB prudential norms for asset classifications and Expected Credit Loss (ECL) model prescribed under Ind AS for provisioning.

IHLL calibrates its risk policies and underwriting norms periodically to promptly respond to the changing market scenario.

IHLL's Gross and Net NPA as at 31 March 2026 stood at 2.69% and 1.93% respectively.

Asset Liability Management (ALM)

IHLL's total borrowings stood at Rs. 4815 Lakhs as of 31 March 2026. IHLL's Asset Liability Committee (ALCO) meets as and when required to i) monitor asset-liability mismatches; ii) ensure that there are no imbalances on either side of the balance sheet; and iii) ensure that adequate level of liquidity is maintained.

IHLL has Asset Liability Committee (ALCO) to monitor its asset liability management. Borrowings of the Company are guided by Board approved resource raising policy.

ALCO reviews macroeconomic conditions affecting the housing finance business, liquidity situation and interest rate environment and provides direction to treasury on resource mobilization and fund planning.

The ALM position of the Company is based on the maturity buckets as per the guidelines issued by the regulator from time to time. IHLL assesses behaviouralised maturity pattern of its assets and liabilities and maintains adequate liquidity for its business.

Customer Service

Mortgages is a long duration product and a high involvement buying decision for the customer - which involves frequent and regular interactions. To enable a transparent, convenient and hassle-free customer experience, our dedicated team of customer service supported with transparent operations and strong technology infrastructure, helps us to be responsive to our customers thereby maintaining high standards of customer service. Digital communication, continuous customer feedback and transparency remain key focus areas of the Company while engaging with customers.

The Company strives towards improving and strengthening its customer experience by transitioning from query / complaint resolution to first time right delivery to customers. To uphold highest standards of transparency, IHLL has implemented an end-to-end proactive communication framework through life stages of customer journey. IHLL continues to leverage technology to gauge the unstated and emerging service needs of customers.

Human Resources

At IHLL, employees are the most valuable assets. In IHLL, employee's performance enhancement, well-being, skill development, growth and engagement remain a key focus area. IHLL fosters a culture of productive empowerment to build an outcome focused organization.

As on 31st March 2026, IHLL had 46 employees.

Internal Control Systems and their Adequacy

IHLL has instituted adequate internal control systems commensurate with the nature of its business and the size of its operations. Internal audit is carried out by external agency to evaluate the adequacy of all internal controls and processes. All significant audit observations and follow-up actions thereon are reported to the Audit Committee. The Audit committee reviews the internal audit reports and the adequacy and effectiveness of internal control.

Fulfilment of the RBI and NHB's norms and standards

IHLL fulfils and often exceeds norms and standards laid down by the RBI as well as NHB relating to the recognition and provisioning of non-performing assets and capital adequacy, etc. The capital adequacy ratio of the Company was 75.02 % as of 31 March 2026, which is well above the regulatory norms

The Reserve Bank of India, vide circular dated 22 October 2020, mandated housing finance companies to have minimum 60% of its assets towards housing finance and 50% of total assets towards housing finance for individuals. As at 31st March 2026 the Company had 42.37% of its total assets deployed towards housing finance and 41.68% towards housing finance for individuals.

Disclosure of accounting treatment

There is no change in the accounting treatment in the Financial Year 2025-2026 as compared to Financial Year 2024-2025.

Segment Reporting

The Company's main business is to provide loans for the purchase or construction of residential units. All other activities revolve around the main business. Hence, there are no separate reportable segments.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
INDIA HOME LOAN LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of INDIA HOME LOAN LIMITED (the Company), which comprise the Balance Sheet as at March 31, 2026, the Statement Of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and Notes to the Financial Statements, including a summary of Material Accounting Policies and other Explanatory Information (hereinafter referred to as the Financial Statements).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 (the Act), in the manner so required and give a true and fair view in conformity with the accounting standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended (Ind AS), and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the profit and total comprehensive income (i.e. loss), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing ('SAs'), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Emphasis of Matters

1. Even though the going-concern view of the company is improving, the revenue needs to be further increased.
2. To mitigate the risk on financial assets, the company possesses collaterals, wherever required as per the powers conferred on the HFC under the SARFESI Act. Any surplus funds are returned to the customers. As a result of this practice, the properties under legal repossession are treated as assets held for sales.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements for the financial year ended March 31, 2026. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

We have fulfilled the responsibilities described in the 'Auditor's responsibilities for the audit of the Financial Statements' section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Financial Statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Financial Statements.

Sr. No.	Key Audit Matter	Auditor's Response
1	Recognition and measurement of Assets Held for Sale: To mitigate the credit risk on financial assets, the Company seeks to use collateral, where possible as per the powers conferred on the HFC under SARFAESI Act. In its normal course of business, the company does not physically repossess properties or other assets in its retail portfolio but generally engages external or internal agents to recover funds generally at auctions to settle outstanding debt. Any surplus funds are returned to the customers/obligors. As a result of this practice, the residential properties under legal repossession processes are not recorded on the balance sheet and are treated as assets held for sale at (i) fair value less cost to sell or (ii) principal outstanding, whichever is less, at the repossession date.	We have evaluated management's process and control around identification and measurement of underlying securities eligible for legal repossession. We have test checked the same with orders issued by appropriate authority under the SARFESI Act. We have test checked the valuation reports of the underlying securities of the repossessed securities so as to verify whether assets held for sale has been measured at valued at lower of (i) fair value less cost to sell or (ii) principal outstanding, whichever is less, at the repossession date. We have verified the appropriateness of disclosure made by the company in relation with regards to Assets held for Sale.
2	Impact of COVID 19: Novel Corona Virus (Covid -19) -A Pandemic as declared by WHO, has disrupted the social & economic structure and continues to affect people and businesses world-wide. Causing various Governments to impose restrictions. Given the unique nature of the pandemic and the extent of its economic impact which depends on future developments including governmental and regulatory measures and the Company's responses thereto, the actual credit loss can be different than that being estimated. We have identified that the impact and uncertainty related to the Covid-19 pandemic as a key element and consideration for recognition and measurement of impairment of loans and advances on account of: • Application of RBI guidelines relating to COVID- 19 Regulatory Package dated March 27, 2020, April 17, 2020 and May 23, 2020, on asset classification and provisioning; • Application of RBI Notification relating to Resolution Framework 2.0 for MSME-resolution of Covid-19 related stress of MSMEs dated 5th May 2021. • Impact of the pandemic on the borrowers and their ability to repay their dues. • Short and Long-term macroeconomic effect on businesses and employment generation opportunities. Management, while calculating ECL that affects financial results, has taken into account its historical experience of losses, updated to reflect current conditions of pandemic and moratorium as well as forecasts of future economic conditions	The appropriateness of management's judgement was also independently reconsidered in respect of moratorium offered on the payment of instalments falling due between March 1, 2020 and August 31, 2020 to eligible borrowers. Test checked the basis of historical loss rates used and moratorium as well as forecasts of future economic conditions. Read and assessed the specific disclosures made in the financial statements with regards to managements evaluation of the uncertainties arising from COVID-19 and its impact on ECL.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work: and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements for the financial year ended March 31, 2026, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c. The company's balance sheet and the statement of profit and loss account dealt with by this report are in agreement with the books of account.
- d. In our opinion, the aforesaid Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act, read with relevant rules issued there under;
- e. On the basis of the written representations received from the directors taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company does not have any long-term contracts, including derivative contracts having any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.
 - iv.
 - A. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - B. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - C. Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under both sub-clauses mentioned above contain any material mis-statement.
 - v. The company has not proposed or declared any dividend during the year.
 - vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Also, as informed and explained to us, the company has retained the records related to preservation of audit trail.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of sub-section (16) of Section 197 of the Act, as amended, we report that to the best of our information and according to the explanations given to us, remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act. However, certain necessary approvals from applicable banks, financial institutions, or non-convertible debenture holders are pending at the date of our audit report.
2. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order'), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 1(f) under 'Report on other legal and regulatory requirements' section of our report of even date to the members of INDIA HOME LOAN LIMITED

Report On The Internal Financial Controls With Reference To The Standalone Financial Statements Under Section 143(3) (i) Of The Act

We have audited the internal financial controls over financial reporting of the Company as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Qualified Opinion

In our opinion, to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to the standalone financial statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Basis for Qualified Opinion

1. The company is in the process of implementation of an NBFC industry-specific ERP software which is yet to be implemented for strengthening the internal controls.

Management's Responsibility For Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations Of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on other legal and regulatory requirements section' of our report of even date to the members of INDIA HOME LOAN LIMITED)

To the best of our information and according to the explanations provided to us by the Company and the books of accounts and the records examined by us in the normal course of audit, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment ("PPE") and relevant details of right-of-use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to information and explanation given to us Property Plant and Equipment and right-of-use asset have been physically verified by the management at reasonable intervals and no material discrepancies were noticed on such verification.
- (c) According to the information and explanation given to us and on the basis of our examination of the records of the company, the company does not hold any immovable property in its own name. However, the company holds non-current asset held for sale which is acquired by the company through order of concerned court or taken possession from borrower for purpose of recovery of outstanding amount from concerned borrower as per SARFAESI Act.

(₹ In Lakhs)

Description of Property	Gross carrying value	Held in name of	Whether promoter, Director or their relative or employee	Period held – Indicate range, where Appropriate	Reason for not being held in name of the company
Mortgaged securities (Assets held for sale)	4,846.35	Respective Borrowers	No	Various periods from the date of possession or symbolic possession under SARFAESI i.e. Since December 2021	Reposessed collaterals from defaulting borrowers

- (d) According to the information and explanations given to us and on the basis of records examined by us, the Company has neither revalued any of its Property, Plant and Equipment (including Right-of-use Assets) nor its intangible assets during the year. Accordingly, reporting under clause 3(i)(d) of the Order is not applicable.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the company, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibitions) Act, 1988 (as amended in 2016) and Rules made thereunder.
- (ii) (a) According to the information and explanations given to us and on the basis of records examined by us, the Company does not hold any inventory during the year. Hence, reporting under clause 3(ii)(a) is not applicable.
- (b) Since there are no sanctioned limits of working capital facility during the tenure of FY 2025-26, the management of the company is of the opinion that the reporting under this clause is not applicable. Hence, we are unable to comment upon the same.
- (iii) (a) The Company's principal business is to give loans. Therefore, reporting under Clause 3(iii)(a) of the order is not applicable.
- (b) According to the information and explanations given to us, the Company has not provided any guarantees or given any security or advances in the nature of loan during the year.

- (c) In respect of loans assets, the schedule of repayment of principal and payment of interest has been stipulated. The repayments or receipts are regular in most of the cases. However, please refer to Note Nos 2.12.5, 4, 32.6, 32.7 and 44 for additional information reported by the company. Having regard to the nature of the Company's business and the voluminous nature of loan transactions involved, the company has furnished the total borrower-group wise details in the note 32.6 to financial statements, where delinquencies in the repayment of principal and interest have been identified.
- (d) The total amount overdue for more than ninety days, in respect of loans and advances in nature of loans including interest thereon, as at 31st March, 2026 is Rs. 131.04/- lakhs (excluding amounts corresponding to Assets Held for Sale). As explained and informed to us, reasonable steps have been taken by the company for recovery of principal and interest as stated in the applicable regulation and loan agreements.
- (e) The Company's principal business is to give loans. Therefore, reporting under Clause 3(iii)(e) of the order is not applicable.
- (f) According to the records of the Company examined by us, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year.
- (iv) In our opinion and according to the information and explanations given to us, the company has not granted any loans, made investments or provided guarantee or securities that are covered under the provision of section 185 or 186 of the Act during the year. Accordingly reporting under Clause 3 (iv) of the order is not applicable.
- (v) According to information and explanation given to us, the company has not accepted any deposits from the public to which the directive issued by the Reserve bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014, as amended, would apply. Accordingly clause 3(v) of the Order is not applicable.
- (vi) According to information and explanation given to us and on the basis of examination of books of accounts, The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Companies Act, 2013 read with relevant rules thereunder. Accordingly, reporting under clause 3(vi) is not applicable.

As per Section 29C of the National Housing Bank Act, 1987 (the "NHB Act"), the Company is required to transfer at least 20% of its net profits every year to a reserve before any dividend is declared. For this purpose any special Reserve created by the company under section 36(i)(viii) of the Income-tax Act, 1961, is considered to be an eligible transfer. Thus, the amount transferred to section 36(i)(viii) of the Income Tax Act, 1961 of ₹ 1.93 Lakhs (previous year of ₹ 5.46 Lakhs) is considered for Special Reserve in terms of Section 29C of the NHB Act.

1 CORPORATE INFORMATION

India Home Loan Ltd. ("The company") is a public limited company incorporated under the Companies Act, 1956 (as amended by the Companies Act, 2013). The Company is a Non-deposit accepting Housing Finance Company registered with National Housing Bank (NHB) under the provisions of National Housing Bank Act 1987 having registration number "05.0119.15", for carrying out the business of housing finance. The company offers retail home loan product for affordable housing segment. Under this product, loans are offered to the customers for Purchase of home, home improvement, home extension and for construction of a dwelling unit on an owned plot of land.

India Home Loan Limited formerly known as (MHFCL) Manoj Housing Finance Company Ltd which was incorporated on 19th Dec, 1990 under the Companies Act, 1956 in Maharashtra. In 2009, the name of Manoj Housing Finance Company Ltd has been changed to India Home Loan Limited.

India Home Loan Limited is a BSE listed company. The company came out with an IPO (Initial Public Offering) in 1995 to augment its long term resources to meet the needs of the business of housing finance and enhance its borrowing capacity by improving its net worth.

2 Summary of Material Accounting Policies:

2.1.1 Statement of Compliance

Financial Statements of the Company have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards ("the Ind AS") prescribed under section 133 of the Companies Act, 2013 ("the Act") read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and the guidelines issued by the National Housing Bank ("NHB") and Reserve Bank of India (RBI) to the extent applicable. The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in the Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The company presents its Balance sheet in order of liquidity.

2.1.2 Basis of Preparation and Presentation

The Company has prepared these Financial Statements, which comprises the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended March 31, 2026, and accounting policies and other explanatory information (together hereinafter referred to as "Financial Statements") on the historical cost basis except employee benefit assets, which are measured at fair values at the end of each reporting period. The standalone financial statements are presented in Indian Rupees which is the functional and presentation currency of the Company and all values are rounded to the nearest lakhs with two decimals, except when otherwise indicated.

2.2 MCA notifies new standard or amendments to the existing standards. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022 which is effective from April 01, 2022. On March 24, 2021, MCA through a notification, amended Schedule III of the Companies Act, 2013 effective from April 01, 2021. Amendments relating to Division III which relate to NBFCs whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015, as amended by the Companies (Indian Accounting Standards) Rules, 2016, have been complied with.

2.3 Use of Estimates and Judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, and

disclosure of Contingent liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements are as below:

1. Measurement of Expected Credit Loss
2. Measurement of useful life of Property, Plant & Equipment
3. Estimation of Taxes on Income
4. Estimation of Employee Benefit Expense

2.4 Critical Accounting Estimates and Judgements

The preparation of the Company's financial statements requires Management to make use of estimates and judgements. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from the Management's estimates and judgements. Accounting estimates and judgements are used in various line items in the financial statements for e.g.

- 2.4.1 Business model assessment [Refer note no. 2.12.3.(i)]
- 2.4.2 Fair value of financial instruments [Refer note no. 2.12.3.(iii) & (iv) and note no. 35]
- 2.4.3 Impairment of financial assets [Refer note no. 2.12.5 and note no.4]
- 2.4.4 Provisions and contingent liabilities (Refer note no. 2.19 and note no. 32.9)
- 2.4.5 Provision for tax expenses (Refer note no. 41)

Estimation of impairment allowance on financial assets amidst COVID-19 pandemic

The Company believes that the factors considered are reasonable under the current circumstances and information available. However, the uncertainties caused by resurgence of the COVID-19 pandemic and related events could further influence the estimate of credit losses.

2.5 Presentation of Financial Statements

Balance Sheet and the Statement of Profit and Loss are prepared on accrual basis and presented in the format prescribed in the Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". All values are rounded to the nearest lakhs with two decimals, except when otherwise indicated.

2.6 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

2.6.1 Interest and Dividend Income

Interest income are recognised in the statement of profit or loss using the effective interest method. The effective interest method is a method of calculating the amortised cost of a financial asset or a financial liability and of allocating the interest income over the relevant period.

The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument or, when appropriate, a shorter period to the net carrying amount of the financial asset or financial liability. When calculating the effective interest rate, the Company estimates cash flows considering all contractual terms of the financial instrument but does not consider future credit losses.

Dividend income is recognised when the Company's right to receive dividend is established by the reporting date.

2.6.2 Fees Income

Processing fees collected on loan proposals, the entire fees will be amortised over the behavioural tenure of the loan and will be recognised as income on the basis of Effective Interest Rate calculation.

2.6.3 Other operational revenue

Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

2.7 Property, Plant and Equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost less accumulated depreciation and cumulative impairment, if any. Cost includes professional fees related to the acquisition of PPE.

For transition to Ind AS, the Company has elected to adopt as deemed cost, the carrying value of PPE measured as per IGAAP less accumulated depreciation and cumulative impairment on the transition date of April 1, 2018.

PPE not ready for the intended uses on the date of the Balance Sheet are disclosed as "capital work-in-progress". Depreciation is recognised using WDV so as to write off the cost of the assets (other than freehold land) less their residual values over their useful lives specified in Schedule II to the Act, or in case of assets where the useful life was determined by technical evaluation, over the useful life so determined. Depreciation method is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end with the effect of any change in the estimates of useful life/residual value is accounted on prospective basis. Depreciation on asset of or less than Rs. 10,000/- shall be provided fully in the year of purchase.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

2.8 Intangible Assets

Intangible assets comprising application software are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost less accumulated amortisation and cumulative impairment. Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under development".

Intangible assets are amortised on WDV method over the estimated useful life as follows :

Name of Asset	Useful life (years)
Computer Software	10

The method of amortisation and useful life are reviewed at the end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis.

An intangible asset is derecognised on disposal or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in profit or loss when the asset is derecognised.

2.9 Impairment Of Non Financial Assets

The carrying amount of assets is reviewed at each reporting date. If there is any indication of impairment based on internal/ external factors, an impairment loss is recognised in the statement of profit and loss wherever the carrying amount of an asset exceeds its recoverable amount. After impairment, depreciation/amortisation is provided on the revised carrying amount of the asset over its remaining useful life. If at the reporting date there is an indication that previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciable historical cost.

2.10 Employee Benefits

2.10.1 Short-term obligations:

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

2.10.2 Post-employment obligations:

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity; and
- (b) defined contribution plans such as provident fund.

2.10.3 Defined Benefit Plans:

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in other comprehensive income (OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognised in Statement of Profit and Loss. When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in Statement of Profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

2.10.4 Defined contribution plan

Obligations for contributions to defined contribution plans are expensed as the related service is provided and the Company will have no legal or constructive obligation to pay further amounts. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

2.10.5 Termination benefits

Termination benefits are recognised as an expense when the Company is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy. Termination benefits for voluntary redundancies are recognised as an expense if the Company has made an offer encouraging voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably.

2.11 Leases

The company assesses whether a contract contains a lease, at inception of a contract. The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

Also in case of company has a lease agreement for the office premise, which is a cancellable agreement. A lease has a contract period of five years but can be terminated any time at the option of the lessor or the lessee without incurring any significant penalty. Thus, Lease rentals on assets are charged to the Statement of Profit and Loss on a straight line basis over the term of the relevant lease.

2.12 Financial instruments

2.12.1 Initial recognition and measurement:

All financial instruments are recognised initially at fair value. Transaction costs that are directly attributable to the acquisition of the financial asset are recognised in determining the carrying amount, if it is not classified as at fair value through profit or loss.

Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. Loans, borrowings and payables are recognised net of directly attributable transaction costs. Subsequently, financial instruments are measured according to the category in which they are classified.

2.12.2 Subsequent measurement:

For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: non- derivative financial assets comprising amortised cost, debt instruments at fair value through other comprehensive income (FVTOCI), equity instruments at FVTOCI or fair value through profit and loss account (FVTPL), non-derivative financial liabilities at amortised cost or FVTPL and derivative financial instruments (under the category of financial assets or financial liabilities) at FVTPL.

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.”

2.12.3 Non-derivative financial assets

(i) Business Model Test for Financial Assets

An assessment of business models for managing financial assets is fundamental to the classification of a financial asset. The Company determines the business models at a level that reflects how financial assets are managed together to achieve a particular business objective. The Company’s business model does not depend on management’s intentions for an individual instrument, therefore the business model is not assessed on an instrument-by-instrument basis but at a higher level of aggregated portfolios and is based on observable factors such as:

- (a) How the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity’s key management personnel;
- (b) The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way in which those risks are managed; and
- (c) How employees of the business are compensated (e.g. whether the compensation is based on the fair value of mutual funds of the assets managed or on the contractual cash flows collected of loans).

At initial recognition of a financial asset, the Company determines whether newly recognised financial assets are part of an existing business model or whether they reflect the commencement of a new business model. The Company reassesses its business models each reporting period to determine whether the business models have changed since the preceding period. For the current and prior reporting period the Company has not identified a change in its business models.

Solely Payment of Principal and Interest (SPPI test)

For an asset to be classified and measured at amortised cost or at FVTOCI, its contractual terms should give rise to cash flows that are meeting SPPI test.

For the purpose of SPPI test, principal is the fair value of the financial asset at initial recognition. That principal amount may change over the life of the financial asset (e.g. if there are repayments of principal).

Interest consists of consideration for the time value of money, for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as a profit margin. The SPPI assessment is made in the currency in which the financial asset is denominated.

Contractual cash flows that are SPPI are consistent with a basic lending arrangement. Contractual terms that introduce exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement, such as exposure to changes in equity prices or commodity prices, do not give rise to contractual cash flows that are SPPI. An originated or an acquired financial asset can be a basic lending arrangement irrespective of whether it is a loan in its legal form.

(ii) Financial assets at amortised cost

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- (a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and

- (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest rate method, less any impairment loss.

Financial assets at amortised cost are represented by trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets. Cash and cash equivalents are highly liquid instruments that are readily convertible into cash and which are subject to an insignificant risk of changes in value and comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal.

(iii) Financial instruments at FVTOCI

A financial instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

- (a) the objective of the business model is achieved by both collecting contractual cash flows and selling financial assets and
- (b) the asset's contractual cash flow represents SPPI

Financial instruments included within FVTOCI category are measured initially as well as at each reporting period at fair value plus transaction costs. Fair value movements are recognised in other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain/(loss) in statement of profit and loss. On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss. Interest earned is recognised under the effective interest rate (EIR) model.

(iv) Financial instruments at FVTPL

A financial asset shall be measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income.

2.12.4 Non-derivative financial liabilities

Financial liabilities at amortised cost

Financial liabilities at amortised cost represented by borrowings, trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method.

2.12.5 Impairment of financial assets

Impairment approach: 'Ind AS 109 establishes a credit risk impairment model based on expected losses. This model will apply to loans and debt instruments measured at amortised cost or at fair value through shareholders' equity (on a separate line), to loan commitments and financial guarantees not recognised at fair value, as well as to lease receivables. The impairment model under Ind AS 109 requires accounting for 12-month expected credit losses (that result from the risk of default in the next 12 months) on the financial instruments issued or acquired, as of the date of initial recognition on the balance sheet.

Expected credit losses at maturity (that result from the risk of default over the life of the financial instrument) will be recognised if the credit risk has increased significantly since initial recognition (Stage 2) or have become credit impaired (Stage 3).

Under the standard, there is also a rebuttable presumption that the credit risk on a financial asset has increased significantly since initial recognition when contractual payments are more than 30 days past due. Based on past experience, the company has developed the ECL model rebutting this presumption and uses 30 days past due as the trigger for confirming a significant increase in credit risk. The structure of the ECL model developed by the company is :

Stage-1 When loans are first recognised, the Company recognises an allowance based on 12mECLs. This also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2.

Stage-2 When a loan has shown a significant increase in credit risk since origination, the Company records an allowance for the LTECLs. Stage 2 loans also include facilities, where the credit risk has improved and the loan has been reclassified from Stage 3.

Stage-3 Loans considered credit-impaired. A default on a financial asset is when the counterparty fails to make the contractual payments within 90 days of when they fall due. Accordingly, the financial assets shall be classified as Stage 3, if on the reporting date, it has been 90 days past due. Further if the customer has requested forbearance in repayment terms, such restructured, rescheduled or renegotiated accounts are also classified as Stage 3. Non-payment on another obligation of the same customer is also considered as a stage 3. Defaulted accounts include customers reported as fraud in the FRMC. Once an account defaults as a result of the DPD condition, it will be considered to be cured only when entire arrears of interest and principal are paid by the borrower. The Company records an allowance for the LTECLs.

The Company assesses periodically and at each balance sheet date whether there is objective evidence that a financial asset or group of financial assets is impaired. Impairment allowances represent management's best estimate of the losses incurred within the loan portfolios at the balance sheet date. They are calculated on a collective basis for portfolios of loans of a similar nature and on an individual basis for significant loans. The calculation of both collective and specific impairment allowances is inherently judgmental. Collective impairment allowances are calculated using models which approximate the impact of current economic and credit conditions on large portfolios of loans. The inputs to these models are based on historical loss experience with judgement applied to determine the assumptions (for example the value of collateral) used to calculate impairment. The amount of provision for loan losses is calculated by multiplying the exposure at default (EAD), Probability of Default (PD) and Loss Given Default (LGD).

Being a housing finance company, the company has to follow the guidelines given by the Master Directions Non Banking Financial Company -Housing Finance Company (Reserve Bank) Directions,2021 on Asset Classification and provisioning requirement. The Prudential norms prescribed do not consider the value of security for standard and sub-standard assets. The company provides for impairment of financial assets on the basis of the Expected Credit Loss Model or the norms of RBI whichever is higher.

2.12.6 Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is de-recognised when the rights to receive cash flows from the financial asset have expired. The Company also de-recognised the financial asset if it has transferred the financial asset and the transfer qualifies for de recognition.

The Company has transferred the financial asset if, and only if, either:

- (a) It has transferred its contractual rights to receive cash flows from the financial asset or
- (b) It retains the rights to the cash flows, but has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement.

A transfer only qualifies for derecognition if either:

- (a) The Company has transferred substantially all the risks and rewards of the asset or
- (b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain/loss that had been recognised in OCI and accumulated in equity is recognised in profit or loss.

2.12.7 Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognised in profit or loss.

2.13 Cash and cash equivalents

Cash comprises of cash on hand and demand deposits with banks. Cash equivalents are short-term deposits with banks (with an original maturity of three months or less from the date of placement) and cheques on hand. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

2.14 Borrowing Costs

Borrowing costs includes interest, commission/brokerage on deposits and exchange differences arising from foreign currency borrowings to the extent they are regarded as adjustment to interest cost. Interest expenses is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate (EIR) applicable.

The effective interest method is a method of calculating the amortised cost of a financial liability and allocating interest expenses over the relevant period.

2.15 Dividends on ordinary shares

The Company recognises a liability to make cash distributions to equity shareholders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the Companies Act, 2013 final dividend is authorised when it is approved by the shareholders and interim dividend is authorised when it is approved by the Board of Directors of the Company. A corresponding amount is recognised directly in equity

2.16 Segments

The Company's main business is financing by way of loans for the purchase or construction of residential houses in India. All other activities of the Company revolve around the main business. In the context of Ind AS 108 – "Operating Segments" specified under section 133 of the Companies Act, 2013, is considered to constitute one reportable segment.

2.17 Taxes on Income

Income tax expense comprises current and deferred taxes. Income tax expense is recognized in the Statement of Profit and Loss except when they relate to items that are recognized outside profit or loss (whether in other comprehensive income or directly in equity), in which case tax is also recognized outside profit or loss.

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilized business loss and depreciation carry-forwards and tax credits. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date, and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis."

2.18 Earnings Per Share

Basic earnings per share have been computed by dividing net income by the weighted average number of shares outstanding during the year. Diluted earnings per share has been computed using the weighted average number of shares and dilutive potential shares, except where the result would be anti-dilutive.

2.19 Provisions, Contingent Liabilities and Contingent Assets

2.19.1 Provisions are recognised only when :

- (i) An entity has a present obligation (legal or constructive) as a result of a past event; and
- (ii) It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (iii) A reliable estimate can be made of the amount of the obligation

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received. Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision."

2.19.2 Contingent liability is disclosed by way of note in case of :

- (i) A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- (ii) A present obligation arising from past events, when no reliable estimate is possible.

2.19.3 Contingent Assets :

Contingent assets are not recognised in the financial statements.

Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

2.19.4 Commitments

Commitments are future liabilities for contractual expenditure and is disclosed in case of – • Estimated amount of contracts remaining to be executed on capital account and not provided for; • Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

2.19.5 Effective Interest Rate (EIR) Method

The Company's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penalty interest and charges). This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well expected changes to India's base rate and other fee income/expense that are integral parts of the instrument.

2.19.6 Estimating the incremental borrowing rate

The Company uses its incremental borrowing rate (IBR) to measure lease liabilities. The IBR is the rate of interest that the Company would have to pay to for its incremental borrowings.

* **Recent accounting pronouncements**

Ministry of Corporate Affairs ('MCA') notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 'The Effects of Changes in Foreign Exchange Rates', applicable w.e.f. 1 April 2025. The Company has no impact of these amendments.

In August 2025, MCA notified the following amendments to:

- Ind AS 1 'Presentation of Financial Statements', applicable w.e.f. 1 April 2025 – The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The company has no impact of this amendments.
- Ind AS 7 'Statement of Cash Flows' and Ind AS 107 'Financial Instruments: Disclosures', applicable w.e.f. 1 April 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has no impact of these amendments.
- Ind AS 12 'International Tax Reform' – Pillar Two Model Rules applicable with immediate effect – The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This amendment is not applicable to the Company."

On 30th March, 2019 the company had issued 16,00,000 Convertible share warrants to promoters and non-promoters at a price of ₹ 76.75 per share warrant with an option to convert each warrant with one equity share of face value of ₹ 10 per equity shares on or before 29th September, 2020. The Company had already received 25% of the issue price from the Allottees upto 29th March, 2019. Allottees needed to pay balance 75% of issue price on or before 29th September, 2020. The Company, on request of all warrant holders, has made an application to SEBI for extension of due date of warrants on 4th September, 2020. The SEBI has given extension till 13th November, 2020. However allottees were unable to pay balance 75% of issue price till extended time allowed by SEBI and hence company has forfeited the paid 25% amount of issue price (₹ 307 Lakhs) and transferred the same to Capital Reserve.

Note: As per RBI Notification DOR (NBFC).CC.PD.No.109/22.10.106/2019-20, when the impairment allowance as per IND AS 109 is lower than provisioning requirements of IRACP (including standard assets provisioning), the differential amount has to be transferred to a separate "Impairment Reserve". During the year, the company has transferred NIL (previous year Nil) to such Impairment reserve.

32.5 COVID - 19 REGULATORY PACKAGE**32.5.1 COVID - 19 RESOLUTION FRAMEWORK 2.0**

The Company invoked resolution plans to relieve COVID-19 pandemic related stress to eligible borrowers. The resolution plans are based on the parameters laid down in the guidelines issued by the RBI May 5, 2021. The staging of accounts and provisioning for the eligible accounts where the resolution plans are invoked and implemented is in accordance with the Board Approved Policy in this regard.

Disclosure on Resolution Framework 2.0 implemented in terms of RBI notification no. RBI/2021-22/31/DOR.STR.REC.11 /21.04.048/2021-22 dated May 05, 2021.

32.5.2 COVID - 19 REGULATORY PACKAGE

In accordance with the RBI guidelines relating to COVID - 19 Regulatory Package dated March 27, 2020 and April 17, 2020, the Company granted moratorium of three months on payments of all instalments and/or interest falling due on or after March 1, 2020 till May 31, 2020 (further extended as per RBI guidelines for another 3 months falling due on or after June 1, 2020 till August 31, 2020) to eligible borrowers who have requested for moratorium. The Company has used the principles of prudence in applying judgments, estimates and possible forward looking scenarios to assess and provide for the impact of the COVID-19 pandemic on the Financial Statements specifically while assessing the expected credit loss on financial assets by applying the customer profiling within salaried and self-employed portfolio and management overlays. The Company has performed an estimation of portfolio stress through analysing its portfolio in respect of various risk classification, using the available historical and current data and based on current indicators of future economic conditions. On May 22, 2020, the RBI has announced extension of the moratorium period by further three months. The extent to which COVID - 19 pandemic will impact the company's provision on financial assets will depend on future developments, which are highly uncertain. The impact of COVID - 19 pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions. Post outbreak of COVID-19, virus continues to spread across the country, resulting in significant volatility in financial markets and a significant decrease in economic activities. On March 11, 2020, this outbreak was declared a global pandemic by the World Health Organisation and consequent lockdowns were imposed across. The situation was improving upto Jan – Feb 2021 but due to the onset of the 'second wave', things have deteriorated since March 2021. Increase in COVID 19 cases necessitated imposition of restrictions which may once again impact economic activity and markets. In preparing the accompanying financial statements, the Company's management has assessed the impact of the pandemic on its operations and its assets as at March 31, 2021. The management does not, at this juncture, believe that the impact on the value of the Company's assets and underline security is likely to be material. The extent to which the second wave of COVID 19 pandemic will impact the Company's results will depend on ongoing as well as future developments, which at this juncture are highly uncertain.

32.6 The company has complied with the norms prescribed under Housing Finance Companies (NHB) Directions, 2010 for recognising Non-Performing Assets (NPAs) in preparation of account. As per the prudential norms prescribed by the National Housing Bank, in respect of credit exposures, the total provisioning made (AS per ECL) for NPA and standard assets and towards COVID till 31st March, 2026 is ₹ 263.14 Lakhs (Previous Year ₹ 278.33 Lakhs). The management assessed that carrying values of financial assets i.e. trade receivable, cash and cash equivalents, loans, trade payables and other Financial assets and liabilities are reasonable approximations of their fair values.

(B) FAIR VALUE HEIRARCHY

Fair value is the amount for which an asset could be exchanged or a liability settled between knowledgeable willing parties in an arm's length transaction. The Company has made certain judgements and estimates in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified the financial instruments into three levels prescribed under the accounting standard. An explanation of each level is as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities. This includes mutual funds and listed equity instruments that have quoted price. The mutual funds are valued using the closing NAV.

Level 2: Level 2 hierarchy includes financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates.

Level 3: If one or more of the significant inputs is not based on the observable market data, the instrument is included in Level 3 hierarchy.

(C) VALUATION TECHNIQUES

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices for mutual funds
- the use of quoted market prices for equity instruments

The carrying amounts of cash and cash equivalents, other bank balances, trade payables and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.

The fair values for loans and other financial assets were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

The fair values of borrowings other than debt securities are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

NOTE 36 FINANCIAL RISK MANAGEMENT

A. CREDIT RISK

Credit risk is the risk of loss that may occur from the failure of any party to abide by the terms and conditions of any contract, principally the failure to make required payments of amounts due to company. In lending operations, the Company is principally exposed to credit risk.

The credit risk is governed by various Product Policies. The Product Policy outlines the type of products that can be offered, customer categories, the targeted customer profile and the credit approval process and limits.

The credit risk for retail borrowers is being managed at portfolio level for both Home loans and Non Home Loans. The Company has a structured and standardized credit approval process, which includes a well-established procedure of comprehensive credit appraisal. The Risk Management Policy addresses the recognition, measurement, monitoring and reporting of the Credit risk. The Company has additionally taken the following measures : -

- Borrower exposure limits as per applicable regulations.
- Establishment of a team to enhance focus on monitoring of process implementation at the branches and to facilitate proactive action wherever required.
- Enhanced monitoring of retail product portfolios through periodic review.

CREDIT APPROVAL AUTHORITIES

The Board of Directors has approved delegation of loan sanctioning powers to Chief Executive Officer and member of the management team on a graded level of the loan amount.

CREDIT RISK ASSESSMENT METHODOLOGY

i) Retail Loans

Company's customers for retail loans are primarily low, middle and high-income, salaried and self-employed individuals.

The Company's credit officers evaluate credit proposals on the basis of active credit policies as on the date of approval. The criteria typically include factors such as the borrower's income & obligations, the loan-to-value ratio, Fixed obligation to income ratio and demographic parameters subject to regulatory guidelines. Any deviations need to be approved at the designated levels.

The various process controls such as KYC check, Credit Bureau Report analysis are undertaken. Company's staff performs comprehensive due diligence process including visits to customer's business and residence premises.

Company analyses the portfolio performance of each product segment regularly, and use these as inputs in revising the product programs, target market definitions and credit assessment criteria to meet the twin objectives of combining volume growth and maintenance of asset quality. The retail loans are fully secured and have full recourse against the borrower. The Company has an equitable mortgage over the collateral Immovable Properties. Wherever the state laws provide, the memorandum of deposit of title deeds are also registered.

ii) Other Loans

The Company has a framework for the appraisal and execution of project finance transactions and it believes that such framework enables optimal risk identification, allocation and mitigation and helps minimize risk in the transaction.

The project finance approval process undertakes detailed evaluation of credit, technical, commercial and financial besides capacity and capability of developer/promoter. A credit scan by obtaining CIBIL and legal litigation reports of key developer/promoter further strengthens credit evaluation. As part of the appraisal process, a risk matrix is prepared to assess project risks in terms of its viability and implementation of projects and other risks associated with the project.

Project finance loans are fully secured by equitable mortgage with registered MOD (Memorandum of deposit of titles) of the prime property being land on which project is to be executed besides lien on constructed units. The Company creates lien on the receivables arising from sale of constructed units. Cash flows are being escrowed in favour of the company besides setting up the escrowing of sale proceeds as per the RERA Act. The Company also obtains personal guarantees of the developer/key promoters. Besides, monthly reports on progress of work, sales booking and sales proceeds are being collected from borrowers which are being monitored until loans are fully repaid.

RISK MANAGEMENT AND PORTFOLIO REVIEW

The Company ensures effective monitoring of credit facilities through a risk-based asset review framework under which the frequency of asset review is determined depending on the risk associated with the product.

For both Retail and other borrowers, the company staff verifies adherence to the terms of the credit approval prior to the commitment and disbursement of credit facilities.

The Company monitors compliance with the terms and conditions for credit facilities prior to disbursement. It also reviews the completeness of documentation, creation of security and compliance with regulatory guidelines.

The provision estimated as per ECL (Expected Credit Loss) model on an aggregate basis is lower than the overall provision required under IRAC (Income Recognition and Asset Classification) norms of the RBI. The Management on a conservative approach has decided to create Impairment reserve.

As at balance sheet date, the Company does not have significant concentration of credit risk

B. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

To limit this risk, management has arranged for diversified funding sources and adopted a policy of managing assets with liquidity in mind and monitoring future cash flows and liquidity on a daily basis. The Company has developed internal control processes for managing liquidity risk.

Housing Finance being core business, maintaining the liquidity for meeting the growth perspective in the business as also to honour our committed repayments is the fundamental objective of the Asset Liability Management (ALM) framework.

C. Market Risk

The Company's core business is borrowing and lending as permitted by the National Housing Bank. These activities expose the Company to interest rate risk.

Interest Rate Risk refers to the risk associated with the adverse movement in the interest rates. Adverse movement would imply rising interest rates on liabilities and falling interest yields on the assets. This is the biggest risk which the company faces. It arises because of maturity and re-pricing mismatches of assets and liabilities.
